Re: Filing No. TFS2008-00926
Case No. 2008-00541
Seller: Kenergy Corp.
Consumer: Armstrong Coal Company, Inc.
(Armstrong Dock)

Dear Mr. DeRouen:

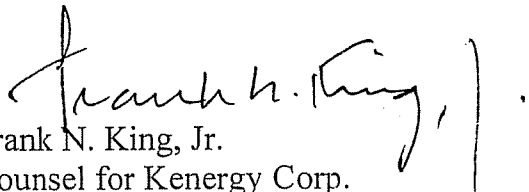

Enclosed for filing is an amendment to the retail service agreement accepted by the Commission under the above filing number and in the above case. The consumer has requested that it be allowed to increase its Maximum Demand beginning September 1, 2010, and that provision is included in the amendment. Since the amendment does not involve a change in rates it appears that Commission acceptance of this filing may not be required. However, if it is determined that the notice period in KRS 278.180 applies, we respectfully request that the notice period be shortened to 20 days so that the increased Maximum Demand can commence on the scheduled date, September 1, 2010.

Your assistance in this matter is appreciated.

Very truly yours,

DORSEY, KING, GRAY, NORMENT & HOPGOOD
